- *New COM 05-02 available at <http://www.dxing.com> and <http://worldofradio.com>
- *Also new edition of Mundo Radial via <http://www.worldofradio.com/espanol.html>
- *WOR back on SIU Edwardsville Web Radio, 0600 UT Sat, <http://webradio.siu.edu>
- *Chris Greenway sums up African SW scene in DXLD 5-029; partly here:
- *Congo DR: confirmed on: Candip 5066, Kahuzi 6210, Okapi 9550; but 6713 and 7435 not heard; nor new 4845
- *VOA adding new morning Studio 7 in English to Zimbabwe, from Feb 21, M-F 0330-0400 UT on 909, 4930, 6080; still eves 1700-1800
- *Uganda: active: 4976, 5026, 7110, 7195 but irregular, and under-powered; the one on 4976/7195 is weaker and poorly modulated
- *R. Ethiopia domestic 5990, 7110, 9704 active, but last two irregular. 5990 is now varying; 9704 propagates best, but with worst audio; external service: 7165 and 9560 active, but vary
- *Too bad Ethiopia is playing hip-hop instead of indigenous music; but 5 transmitters on air simultaneously, plus 4 from:
- *R. Fana 6219 6940, with beautiful IS; V. of Tigre Revolution 5500 and 6350; heard in NH: 6940 at 0314-0333, better than 6210, calliope at 0330; R. Ethiopia, 7110 from *0300 but Cairo 7115 slop
- *R. Peace, Sudan, 4750 at 0327, English ID 0348; Omdurman 7200 also active. No sign of R. Peace on 5895 yet, but occupied by Moscow in Persian, local evenings, unlisted
- *R. Juba back on 693, including English music request and news at 1800
- *Big buzz on 21460 around 1500 is Holy Qur'an service, Saudi Arabia, malfunctioning transmitter, blasphemy
- *Heat's on Syria, so a look at clandestines to there: Arab Radio, 1600 on 12085 via Moldova, extremely strong in Finland, and on 7470 via Samara, Russia <http://www.arabicsyradio.org>
- *R. Free Syria, Sun 1900 via Germany 9495, invites other opposition groups to participate, daily 24 hours, but may be referring to satellite
- *Only active SW stations in Iraq are the Kurdish ones, which were clandestine during Saddam; see DXLD 5-026 for survey with IDs, schedules. 4025, V. of the People of Kurdistan; 4160, V. of Independence; 6315v, R. Roj; 6335, V. of Iraqi Kurdistan; 11530, V. of Mesopotamia via Moldova; lower ones have morning broadcasts; in North America try around 0230/0400
- *V. of Iranian Kurdistan, from Iraq, at 0305-0435, 3970.2, jammed and jumps to 3985, also on unjammed 4860; and on satellite; ondemand <http://www.rdkl.com> and <http://www.pdk-iran.org> backs it
- *Switcheroo in MW Frequencies in the Gulf; R. Farda on new 1575, at 1520 mixing with VOA Thailand, after R. Asia, UAE moved from 1575 to

1557; but is Farda 1575 from UAE, planned new 800 KW, along with 800 kW on 1170; or from Kuwait?

- *Farda 1575 already heard in Delaware at 0151-0220 // 9585
- *New frequency for V. of the Iranian Nation, 1430-1500 on 11620, jammed, ex-15660; believed via CIA in Egypt
- *R. Sedaye Zan, V. of Women [to Iran] via Germany, Sat 1900 on 9495, has been cancelled
- *English from Pakistan at 1600 on 11570, 5080.3, Azad Kashmir 4790; Quetta 5027 unheard
- *Crossing Continents on BBC Radio 4 was about Maldives, Feb 10, 14, and one may Listen Again
- *Head of Prasar Bharati, India, plans to take Indian TV and radio to the vast diaspora; no mention of present SW service!
- *Relay of FM Rainbow 102.6 New Delhi to Andamans on 11585, has ended, now back to various external services
- *250 kW SW transmitters of AIR in Panaji Goa, named for rivers: Mandovi, Zuari; unfortunately, these rivers are not very clear
- *Strife-torn Nepal: R. Nepal, 5005.4 still heard occasionally on reduced power, such as Feb 6 at 1520 until fade 1540, in Denmark; Feb 2 at 1600, in Finland on 5005.35
- *The media magazine you monitor with your mind, World of Radio 1264, woradio at yahoo.com or PO Box 1684, Enid, OK 73702, USA; <http://www.worldofradio.com> for much more in DX Listening Digest
